RESPONSE TO EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

Dear Sir:

In response to the Examiner's Statement of Reasons for Allowance mailed on December 30, 2005, Applicants respectfully submit a response for the Examiner's Statement of Reasons for Allowance for the above captioned patent application.

COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Claims 34-77 were allowed over the prior art of record. The following is the Applicants statement of reasons for the indication of allowable claimed subject matter. It is respectfully submitted that the following is not a comprehensive list of reasons for the indication of allowable claimed subject matter.

The Examiner correctly stated that the prior art of record, Davis (USP 5,825,879), is silent in disclosing a controller for establishing encryption/decryption keys for the first and second EDUs and without exposing an unencrypted data stream as recited in independent claims 34, 45 and 59. It is respectfully submitted that Davis does not show a controller for controlling transmission of digital signals on the bus wherein audio video signals are transmitted between the first and second EDUs in encrypted form without exposing an unencrypted data stream.
